Class of 1981

Furnished by the Duke University General Alumni Association

This directory is published by the alumni of Duke University as a special welcome to the Class of 1981. We hope you will find it useful--that it will assist you in getting to know one another.

We also hope that you will find your university experience as stimulating and as productive as have your predecessors. There are some 55,000 of us, scattered to all parts of the world and pursuing all sorts of careers. Duke is our common bond and the Alumni Association is our lasting link with the University we learned to cherish during our own years on campus.

You will learn more about the General Alumni Association in due course, and when the time comes, we hope you will want to take an active part in its affairs. One of its primary objectives is to keep Duke University well equipped to serve a carefully selected student body in a very special way.

Our best wishes are offered to each of you ; may you experience a highly successful and personally fulfilling undergraduate career.
